FAMOMC'S Children's Clothing and Toy Indoor Yard Sale Saturday September 30, 8 am to Noon

It is once again time for our Fall Yard Sale. It will be held Saturday, September 30th, from 8 am. to 1 pm, at the Spotsylvania Presbyterian on Leavells Rd in Fredericksburg. It is centrally located between Court-house and Salem Church Roads. This is a great fundraiser for the club, as a portion of all the sales goes to the club. Each person who sells and works two shifts AND clean up donates 10% of their sales to the club. If a seller works 2 shifts or 1 shift and clean up they donate 15% of their sales to the club. If a seller works clean up only, then they donate 20% of their sales to the club. If a seller works drop off and pick up only, they donate 25% of their sales to the club. Set up for the sale will start at 5 p.m., Friday September 29th. The presale will take place from 8 - 9 p.m. and is open to our club members (including honorary and prospective). We will need members to work the presale and/or the yard sale (to include setting up in the a.m. and tearing down at the end). Participation in the sale is open to all members in the club, this includes paid, honorary and prospective members. Every seller must have a seller number and also bring a self addressed and stamped envelope on Friday night to give to Lisa. Please get in touch with Lisa Marsden, 720-7692, to obtain a number. This number must be used to label all sale items. For further details on the rules and regulations for participating in the sale see this newsletter or contact Lisa Marsden. There is also a Flyer in this newsletter that you can copy and post in your neighborhood as well as tags to use on your items and a guideline to give you an idea on how to price your items. If you need more information, please contact Lisa Marsden at 720-7692. Sign up sheets to help with the sale will be at the September meetings. Also if you have plastic bags (Food Lion, Bloom, Wal-Mart, etc.) please bring them to the Friday night presale or this month or next month's meeting!

**FREDERICKSBURG AREA MOTHER OF MULTIPLES
CONSIGNMENT YARD SALE GUIDELINES**

I. DESCRIPTION OF CONSIGNMENT SALE - WHAT IS IT?

The consignment yard sale is replacing quickly the traditional yard sale for many organizations. The consignment sale is a more efficient way to organize a fundraising sale. It's benefits are:

- More efficient shopping (all items of same size/gender in one area)
- More sellers mean more items.
- Preferred mode of shopping by most buyers
- Members don't have to have a lot of merchandise in order to sell
- No haggling over prices
- Seasonal items are sold only

II. DETAILS OF PLAN - GUIDELINES FOR SELLERS

Sellers will be assigned a seller number and will be provided uniform price tags. Sellers can carry over the same seller number from sale to sale, so that merchandise can be tagged as soon as it is outgrown. However you must register to sell for each sale. Sellers will be responsible for pricing their own merchandise. Merchandise should be priced to sell, as there will be no price negotiations. **ONLY SEASONAL MERCHANDISE CAN BE SOLD.**

Therefore, for the Spring Sale, only spring and summer merchandise and at the Fall Sale only fall and winter merchandise should be sold. Non-seasonable merchandise will be pulled from the selling floor prior to the sale.

Pricing should be done in increments of \$.25.

All merchandise must be ticketed and organized as follows:

[Attach NEW tags to merchandise with 1 safety pin \(Merchandise already tagged does not need to be changed\)](#)

If you tape tags to merchandise, please use tape only at the top

If you group items in baggies, please safety pin the tag to the bag.

Make sure matching pieces are pinned together, note on tag "2 pieces

Make sure shoes are together or put in baggies

Place socks in baggies

Place small toys in baggies

Tape tags (only at the top of the tag) to books and videos or place them in baggies and safety pin to the bag.

Tape tags (only at the top of the tag) to large equipment/toys

NOTE: Tags must be removable. These tags are how we reimburse you.

Sale Tags: A copy of the tags are on the website. If you already have a seller number from the previous sale [and have contacted the yard sale chair mom](#), you can start tagging your merchandise. Red marker will be used for markdowns. Tags are to be affixed with [1 safety pin](#) or taped so the tag can be removed without ripping. Toys, equipment, videos, books and items in baggies should have the tag taped to the item or baggie on the front of the item. Please do not tape the entire tag, as it is difficult for cashiers and baggers to removed taped tags. These tags are how we reimburse you. Each seller will be provided a uniform nametag, which must be worn at all times during the yard sale. No one will be admitted as a seller without a nametag.

SELLERS WILL BE RESPONSIBLE FOR WORKING TWO SHIFTS DURING THE SALE AND PICKING UP THEIR MERCHANDISE.

Job descriptions will be provided at the set-up and presale. Please keep in mind that almost everyone wants to work Friday night and the last shift on Saturday. Please try to arrange your schedule so that you can help when the help is most needed to make our event the most successful. [Worker spots for specified shifts will be limited and are done on a first come first serve basis.](#) If you are interested in working a shift you will need to sign up at the meeting or call the yard sale chair mom.

Those who work [two shifts and clean up during the sale will donate 10% of your profits to the club.](#) If you work 2 shifts or 1 shift and clean up you will donate 15% of your profits. Those working clean up only will donate 20% of their profits. Those dropping off and picking up only will donate 25% of their profits to the club.

Set-up and member/seller presale will be Friday night. [Building set-up will be from 5:00-7:30 p.m. Building will not be opened for item set up \(this includes shift workers\) until the building is Completely prepared for sale!](#) All sellers should arrive by 6:00 p.m. to set-up their pre-tagged items.

[At 7:30 p.m., the selling floor will be cleared and you will be asked to leave the building unless you are working the 7:30-10:00 pm shift.](#)

Those Friday night workers will be allowed to shop from 7:30-7:50, at 8:00 pm workers should be in assigned spots ready for doors to be reopened. At 8:00 pm the doors will reopen for presale in an organized re-entry. Only members, honorary, prospective and pre-approved guest will be allowed in the building on Friday Night.

Buying will not occur during the building set up and any items not in their appropriate spaces will be put back prior to the pre-sale on Friday night.

FREDERICKSBURG AREA MOTHER OF MULTIPLES CONSIGNMENT YARD SALE GUIDELINES

To participate in the pre-sale you must be a current member, honorary, or perspective member.

If you are a member or honorary member expecting a baby or are on bed rest, you will be allowed to send someone to shop in your place on Friday night or will be allowed one other person to help you shop. Any guest for "whatever circumstance" must be pre-approved before the Friday night presale. This can be done by calling the yard sale chair mom, those not on the pre-approved list will not be allowed to enter the sale. Friends, sisters, etc. are not allowed to shop with you at the pre-sale, but are encouraged to attend during the public sale on Saturday. NO children under the age of 8 will be allowed to help during set-up and no children will be allowed while you are working your shifts.

Sellers and members will be admitted onto the sales floor approximately 8:01 p.m. for buying.

All sold merchandise will need to be removed on Friday evening.

All membership dues must be paid prior to any yard sale activity! Dues will not be accepted at the yard sale.

Sellers need to identify to the Yard Sale chair mom whether or not they want their items donated if they do not sell. IF NO DONATION SITE HAS BEEN DETERMINED, SELLERS WILL NEED TO MAKE ARRANGEMENTS TO PICK UP THEIR UNSOLD ITEMS. Failure to make arrangements to pick up unsold items will result in an additional 10% donation to the club, regardless of shifts worked!

SALE DAY

Sellers will be responsible for performing their assigned shifts. Sellers will be responsible for retrieving their unsold merchandise immediately following the close of the sale.

Checks will be accepted on Friday evening from sellers and members, but will not be accepted during the general public sale on Saturday.

Items will NOT be sold without a tag. These items will be entered as seller #99 (profit goes to club).

Everyone selling is required to help clean up and should arrive no later than 15 minutes prior to end of sale.

FINANCES

All sellers must provide a self-addressed stamped envelope if they wish to have their payment mailed. Payment will be made by the next monthly meeting, but no sooner than 2 weeks following the sale.

Tags will be removed from sold merchandise at the register area. Tags will be placed into secure boxes and will be sorted during the sale at a designated place off site and will be sorted into seller trays by seller number.

Final calculation will be made and a check will be made out to the seller minus the donated percentage. To ensure accuracy, please allow 2 weeks for the treasurer committee to reconcile tags and balance the finances.

Optionally, paper tickets will be made available at the next monthly meeting. Otherwise, the tickets will be discarded.

I would also like to encourage all our members to get involved in the planning of the 2009 MAPOM Convention that our club is hosting. We will be handing out raffle tickets for you to sell. This raffle will be an excellent fund raiser to get the ball rolling in raising money for the event.

A message from the Wheeler family:

Diana & Tracy Wheeler would like to thank Sheri & Roger Pierce for their hospitality at the Installation Dinner. It was again a fun time and they always put so much work into it! It's really something that Tracy and I look forward to and appreciate their willingness to welcome everyone over.

We have also been busy preparing for school. The twins, Mason & Madison, are starting Kindergarten at RE Lee and Emma Grace will be starting preschool at The Learning Tree Christian Early Center. Emma was the 2nd runner up at the Baby Miss Fredericksburg Benefit Pageant for Grace Oughton and Madison won Tiny Miss Fredericksburg!!! They had a lot of fun!!!

A message from the Billingsley family:

Joseph had neurosurgery on July 25th at MCV in Richmond to alleviate symptoms from Chiari I malformation. Joe's main symptoms were vertigo, headaches at the back of his head, numbness in his feet, and extreme crankiness (no wonder- he was in pain!!!). During the surgery, they removed some skull, the outer part of a vertebrae, and reduced the size of the brain malformation- the surgery will allow for the spinal fluid to flow freely again between his spine and brain. We spent 5 days at MCV (4 of them in the PICU).

Kids are so resilient- within a week after his surgery, Joe was playing like a "normal" 3 year old. Joseph is better than he's ever been- he is not as temperamental and has even become the "peacemaker" of our 4 children.

The symptoms Joe was experiencing prior to surgery are almost gone completely. Joseph will be closely monitored by his Neurosurgeon for at least a year. His next MRI is scheduled for the end of October. Thank you so much for your thoughts and continued prayers. Sincerely, Stephanie
